

| Category 01 | | Life products (Household items) | Example |
|-------------|-------|---|---|
| | 01-01 | Accessories and Personal belongings | contact lens, eye glasses, mask, hearing aid, pedometer, activity meter, accessory, watch, wallet, card holder, shoes, bag, prosthetic limb, wig, etc. |
| | 01-02 | Stationery | pen, notebook, datebook, glue, scissors, cutter, stapler, tape cutter, correction fluid, seal, ink-pad, ruler, calculator, envelop, sticky note, book stand, book jacket, picture frame, painting tool (paint, pallet, crayon), calendar, voucher, file binder, laser pointer, scientific calculator, cutting machine, bookbinding tool, drawing tool, etc. |
| | 01-03 | Educational materials and tools | intellectual toy (de-energized), educational material, educational tool, magnifying glass, microscope, flask, beaker, etc. |
| | 01-04 | Clothing | hat, clothing, etc. |
| | 01-05 | Childcare items and accessories | diaper, baby sling, baby wrapper, baby clothes, pacifier, diaper bag, etc. |
| | 01-06 | Toys | toy (de-energized) doll, building blocks, board game, mini car, plastic model, etc. |
| | 01-07 | Other household items | |
| Category 02 | | Life products (for healthcare and hobby) | Example |
| | 02-01 | Health care items and equipment for home use | toothbrush, nail clipper, ear pick, comb, shaver, dryer, tissue, towel, bath mat, laundry net, detergent, cleaning sponge, shampoo, body care goods, bath goods, portable toilet, hot-water bottle, fitness goods, weight scale, thermometer, manometer, massage goods, massage chair, etc. |
| | 02-02 | Beauty care items and equipment for home use | makeup tool, facial roller, beauty device, etc. |
| | 02-03 | Medical item and equipment for home use | home medicine, inhaler, glucose meter, insulin syringe, etc. |
| | 02-04 | Sporting goods | bat, ball, leg pad, golf club, yoga mat, training equipment, referee chair, field marking tool, etc. |
| | 02-05 | Leisure/Outdoor goods | picnic blanket, cooler box, tent, lantern, BBQ grill, trekking pole, outdoor chair and table, compass, binoculars, sleeping bag, etc. |
| | 02-06 | Hobby goods/Pet-care supplies | fishing gear, handicraft tool, pet care supplies (leash, litter box, aquarium) etc. |
| | 02-07 | Garden tools | flower vase, flower pot, planter, watering pot, hose reel, sprinkler nozzle, pruning scissors, scoop, indoor growing cultivator, etc. |
| | 02-08 | Audio equipment and Music instruments | headphone, earphone, headset, loudspeaker, audio player, amplifier, music instrument (piano, guitar) etc. |
| | 02-09 | Other products for healthcare and hobby | |
| Category 03 | | Life products (Daily necessities) | Example |
| | 03-01 | Cleaning goods | broom, dustpan, duster, mop, cleaning brush, etc. |
| | 03-02 | Household nursing and Rehabilitation equipment | wheel chair, walker, nursing care food, hospital diet, nursing bed, patient positioner, walking stick, rollator, portable toilet for nursing, etc. |
| | 03-03 | Household childcare item and equipment | stroller, potty, baby bath, baby bed, baby food, breast pump, baby bottle, baby cutlery, etc. |
| | 03-04 | Emergency supplies | disaster prevention hood and helmet, emergency kit, emergency provisions, preserved food, emergency toilet kit, etc. |
| | 03-05 | Bed clothes | futon, bed sheets, mattress, pillow, blanket, etc. |
| | 03-06 | Religious supplies | buddhist altar and instrument, shinto altar and instrument, plate for piled salt, rosary, urn, tomb stone, etc. |
| | 03-07 | Other daily necessities | umbrella, fan, snow remover, sewing tool, cushion and floor cushion, mat, carpet, dust box, hanger, insecticide, etc. |
| Category 04 | | Life products (Kitchen tools and Home appliances) | Example |
| | 04-01 | Cookwares and Kitchen cleaning goods | pot, frying pan, cleaning item for kitchen, etc. |
| | 04-02 | Cutlery and Tablewares | chopsticks, cutlery, glass, cup, dish, bowl, small bowl, tray, water bottle, tea utensil, lunch box, seasoning container, etc. |
| | 04-03 | Cooking utensils | kitchen knife, ladle, tong, turner, slicer, sieve, mixing bowl, long chopsticks for cooking, etc. |
| | 04-04 | Kitchen appliances | food processor, griddle, blender, juicer, electric kettle, coffee maker, etc. |
| | 04-05 | Home appliances | digital photo frame, vacuum cleaner, washing machine, refrigerator, microwave oven, rice cooker, water purifier, sewing machine, iron, pressure washer, etc. |
| | 04-06 | Air conditioning appliances | air cleaner, humidifier, electrical fan, stove, etc. |
| | 04-07 | Other kitchen tools and home appliances | |
| Category 05 | | ICT equipment | Example |
| | 05-01 | Mobile phones, Cameras, Tablets | tablet, camera, video camera, telephone, mobile phone, smart phone, mobile device, etc. |

| | | | |
|--------------------|-------|--|---|
| | 05-02 | Smart watches, Drones with camera | |
| | 05-03 | Video equipment | TV, monitor, video recorder, DVD player, etc. |
| | 05-04 | ICT equipment for the general public | desktop PC, notebook PC, mouse, keyboard, stylus, printer, scanner, projector, etc. |
| | 05-05 | Broadcast and Sound equipment for professional use | mixing console, multi-track recorder, matrix switch device, loudspeaker for professional use, microphone for professional use, power amplifier for professional use, wireless microphone system, sound processor, video camera for professional use, etc. |
| | 05-06 | ICT equipment for professional use | emergency communication system, security camera, computer for professional use, telephone for professional use, monitor/projector for professional use, transceiver, printer for professional use, composite printer, etc. |
| | 05-07 | Other ICT equipment | |
| Category 06 | | Furniture/Housing fixtures | Example |
| | 06-01 | Home furniture | partition, hanger pole, laundry pole, chair, sofa, table, desk, storage case, shelf, storage furniture, wardrobe, drawer, bed, etc. |
| | 06-02 | House lighting appliances | light bulb, ceiling light, pendant light, desk lamp, floor lamp, etc. |
| | 06-03 | House air conditioning facilities/fixture | air conditioner, air vent, etc. |
| | 06-04 | House building materials | architectural hardware, house building material, stairs, etc. |
| | 06-05 | House interior materials | curtain, blind, etc. |
| | 06-06 | House exterior materials | roofing material, garage, doorplate, post, rain gutter, wood deck, terrace, sunshade, shelter, interphone, etc. |
| | 06-07 | Kitchen fixtures | range hood and ventilator, water heater, remote controller for water heater, sink, etc. |
| | 06-08 | Bath room/wet area | wash basin, shower, bathtub, toilet bowl, water purifying facility, etc. |
| | 06-09 | Built-in home appliances | elevator for home, escalator for home, etc. |
| | 06-10 | Other furniture/housing fixtures | |
| Category 07 | | Mobility | Example |
| | 07-01 | Passenger car | passenger car |
| | 07-02 | Accessories and Supplies for passenger car | car tire, car navigation system, dash cam, car audio system, etc. |
| | 07-03 | Commercial vehicle | taxi, bus, truck, construction vehicle(crane truck, etc), farm vehicle(tractor, etc), other vehicle for specific use(snowplow, etc) |
| | 07-04 | Accessories and Supplies for commercial vehicle | car tire for commercial vehicle, car navigation system for commercial vehicle, dash cam for commercial vehicle, etc. |
| | 07-05 | Motorbike | motorbike |
| | 07-06 | Accessories and Supplies for motorbike | tire for motorbike, speed meter, etc. |
| | 07-07 | Personal mobility, Bicycle | personal mobility and bicycle for private use and for commercial use |
| | 07-08 | Accessories and Supplies for personal mobility and bicycle | pump, etc. |
| | 07-09 | Railway | railway vehicle, equipment and facility for railway, system and service for railway, etc. |
| | 07-10 | Shipping | pleasure boat, passenger vessel, ferry, boat for special use(lifeboat, etc.), equipment and facility for shipping |
| | 07-11 | Aircraft | rocket, aircraft, airship, helicopter, drone for transportation, equipment and facility for aircraft, etc. |
| | 07-12 | Transportation system and service/Logistics | transportation system and service, logistic system and service, etc. |
| | 07-13 | Other product for mobility | |
| Category 08 | | Product for medical care and manufacturing | Example |
| | 08-01 | Accessories and personal belongings for professional use | finger stall, name plate, armband, dust mask, dust goggles, work gloves, cotton work gloves, insulating gloves, helmet, life jacket, safety vest, work clothes, white coat, work shoes, safety shoes, lanyard, safety belt, etc. |
| | 08-02 | Working tools and supplies | pliers, nippers, screwdriver, saw, small work items, spray, paint, tool holder, vise, jig, electric tool, packing material, cardboard box, guide baton, hand cart, flood light, etc. |
| | 08-03 | Agricultural tools and equipment | hoe, sickle, rake, mortar, lawnmower, hedge trimmer, cultivator, huller, threshing machine, rice polishing machine, weighing machine, furrow coating machine, etc. |

| | | | |
|--------------------|-------|--|---|
| | 08-04 | Equipment and facilities for production and manufacturing | data logger, control equipment, digital micrometer, current probe, measuring equipment, surveying machine, indicator, FA equipment, programmable controller, actuator, industrial robot, processor, machining center, semiconductor manufacturing device, scaffold, wheel loader, hydraulic excavator, crane, sheet-fed printing press, container, belt conveyor, automatic carrier, etc. |
| | 08-05 | Medical equipment and facilities | injector, intravenous drip, medicine, stent, surgical instrument, stretcher, biomonitoring, washer, suction machine, therapeutic instrument, nurse call button, medical cart, examination table, medical furniture, hospital facility, inspection and diagnostic equipment (ultrasonic diagnostic apparatus, MRI, x-ray device, etc), analyzer, packing machine for medicine, etc. |
| | 08-06 | Materials, Parts | sheet material, paper, block, ceramic material, glass material, coating material, etc. |
| | 08-07 | Manufacturing technology and methods | processing method, manufacturing method, constructing method, transportation technology, etc. |
| | 08-08 | Equipment and facilities for research, development, and experiments | pipette, electronic balance, agitator, homogenizer, gas chromatography, x-ray fluorescence spectrometer, biochemical automatic analyzer, fume hood, environmental test equipment, durability test device, accelerator, radio telescope, etc. |
| | 08-09 | Other product for medical and manufacturing | |
| Category 09 | | Products for shop and public space | Example |
| | 09-01 | Furniture for shop, office, public space | office chair, office table, desk wagon, storage shelf, cabinet rack, locker, storage system, partition, reception office furniture, work station, office ceiling light, etc. |
| | 09-02 | Display furniture for shop and public space | ticket vending machine, automatic ticket gate, ATM, sign board, digital signage, pachinko game equipment, display furniture, growing cultivator for shop, etc. |
| | 09-03 | Equipment and facilities furniture for public space | automatic door, fire alarm, evacuation light, chair and desk for educational facility, lounge sofa, telephone booth, security gate, dust box for public, portable toilet for public, washbasin for public facility, stairs for public facility, bollard, fence, street light, sign board, telephone pole, curved mirror, moveable fence, street furniture, spectator stand, braille tile, pavement, playground equipment for park, elevator, escalator, etc. |
| | 09-04 | Kitchen equipment and facilities for professional use | stockpot, steamer, deep fryer, chinese frying pan, hotel pan and food pan, kitchen pot, frying pan for professional use, bowl for professional use, kitchen knife for professional use, other kitchen utensils for professional use, banquet ware, food tray, bus box, oven for pizza, refrigerator for professional use, wine cellar for professional use, dishwasher for professional use, waterheater for professional use, kitchen towel warmer, ice machine, refrigerating stocker, etc. |
| | 09-05 | Equipment and facilities for professional use | register counter, receipt printer, label printer, POS terminal, handy terminal, barcode scanner, cash drawer, counting scale, settlement terminal, register, side ditch cover, manhole cover, distribution board, earthquake sensor, water quantity measuring instrument, solar cell array stand, fence for construction work, safety cone, safety flag, barricade, lighting for construction work site, bookcase, base station, power transmission tower, wind power generator, etc |
| | 09-06 | Lighting appliances for professional use | |
| | 09-07 | Air conditioning equipment and facilities for professional use | |
| | 09-08 | Building materials and equipment for commercial space | ceiling embedded air conditioner, monitoring camera unit, security box, monitoring control system, management system, control panel, interphone for commercial/professional use, shutter, etc. |
| | 09-09 | Facilities for commercial space | |
| | 09-10 | Other product for shop and public space | |
| Category 10 | | Housing (personal residence, small sized apartment, construction method) | Example |
| | 10-01 | Prefabricated housing | prefabricated housing |
| | 10-02 | Personal residence | |
| | 10-03 | Apartment | small sized housing for specific purpose(shared house, nursing home, student dormitory, etc) |
| | 10-04 | Small sized housing complex | small sized housing complex(less than 20 dwelling units) |
| | 10-05 | Construction method for housing | construction method for housing, structural member for housing, seismic isolation structure for housing, etc. |
| | 10-06 | Service and system for personal and small sized housing /HEMS(Home Energy Management System) | |
| Category 11 | | Housing (medium sized, large sized housing complex) | Example |
| | 11-01 | Medium/large sized housing complex | medium to large sized housing complex(20 dwelling units or more) |
| | 11-02 | Service and system for housing complex/HEMS(Home Energy Management System) | service for residents of housing complex, service to support purchase and design of housing, housing value creation service, estate development, etc. |
| Category 12 | | Construction/interior for industry, commercial facilities and public facilities | Example |

| | | | |
|--------------------|-------|---|---|
| | 12-01 | Construction/space design/sign system for industries | construction/space design/sign system for office, research and development institute, factory, industrial complex, warehouse, distribution center, container yard, plant, facility and space for management and control, etc. |
| | 12-02 | Construction/space design/sign system for commercial facilities | construction/space design/sign system/exhibition space/scenography/lightning plan/VMD plan(Visual Merchandising), for commercial complex, shopping center, shop, showroom, hotel and accommodation, movie theater, etc. |
| | 12-03 | Construction/space design/sign system for public facilities | construction/space design/sign system/pictogram for government building, educational facility, medical/welfare facility, museum, library, cultural exchange facility, post office, bank, financial facility, airport, station building, religious facility, zoo, aquarium, viewing platform, tourist facility, gymnasium, stadium, etc. |
| | 12-04 | Landscape, civil engineering structures | landscape, environmental design, park, square, road, traffic terminal, bridge, pylon, harbor/river improvement, dam, bank, tunnel, junction, water channel, flood control channel, etc. |
| | 12-05 | Block and community development | urban district development, community and zone development, town development, etc. |
| | 12-06 | Construction method for industry, commercial, public facilities | structure, structural member, building method, civil engineering method, demolition method |
| Category 13 | | Media, Contents, Package | Example |
| | 13-01 | Media | magazine, website, free paper magazine, local government's journal, regional PR magazine, etc. |
| | 13-02 | Contents for the general public | book, electronic book, TV program, video game, advertisement, promotion planning, promotion and advertising event, corporate PR, regional tourism map, regional promotion campaign, etc. |
| | 13-03 | Contents for business | internal information dissemination media, company journal, new product presentation, brand management manual, operation guideline, service manual, etc. |
| | 13-04 | Method for advertisement/PR | advertise contents, PR contents, method for PR, etc. |
| | 13-05 | Exhibition/display | exhibition, exhibition booth, display, projection mapping, etc. |
| | 13-06 | Branding/CI/VI | banding, CI(corporate identity), VI(visual identity), etc. |
| | 13-07 | Font | web font, digital font, brand font, etc. |
| | 13-08 | Packaging services for the general public | drink and food package, packaging container for food and drink, product package, package and container design for daily necessities, cosmetic package, package for drug and medicine, CD jacket, etc. |
| | 13-09 | Packaging services for professional use | transport package, packaging container, etc. |
| Category 14 | | Application/System/Service for the general public | Example |
| | 14-01 | Application, software for the general public | video editing software, educational software, automatic translation program, household account application, map application, SNS, etc. |
| | 14-02 | System, service for the general public | child care support service, nursing support service, security system, educational system, etc. |
| | 14-03 | Insurance/financial service, system | |
| | 14-04 | Interfaces for the general public equipment | interface of home appliances, interface of ATM, etc. |
| Category 15 | | BtoB software, system, service, activities | Example |
| | 15-01 | Software for professional use | CAD software, software for development, medical software, customer management application, telemedical system, electronic medical record system, library book retrieval system, EMC(electronics manufacturing service), aseptic system, FA system, logistic system, POS system, order system, ASP system, etc. |
| | 15-02 | Systems/services for professional use | |
| | 15-03 | Interfaces for professional use equipment | |
| | 15-04 | Social infrastructure systems and infrastructure | water and sewage system, power generation system, smart grid, eco system, traffic management system, certificate system, disaster risk management system, medical cooperation system, tax payment system, etc. |
| | 15-05 | Business models | advertisement model, tie-up model, license model, cooperation model, matching model, franchise model, etc. |
| | 15-06 | Research and development methods | survey method, analysis method, idea creation method, academic-industry cooperation research and development, PBL(project based learning), open source development, etc. |
| | 15-07 | Awareness improvement and management methods for industries | improvement of working style, improvement of operation flow, job awareness reform, organization reform, organization and team building method, employment system, working regulation, etc. |
| | 15-08 | Other activities for industries | employment creation support, business start-up support, technical support for developing countries, dispatch of engineer, free provision of patent, etc. |
| Category 16 | | Activities for the general public | Example |
| | 16-01 | Education/promotion/support methods | educational support program, housing support program, regional exchange program, volunteer support program, etc. |

| | | |
|-------|--|--|
| 16-02 | Awareness improvement for individuals and public | activity for improving awareness of disaster prevention, work experience workshop, experience-based learning program, reconstruction support activity, cultural awareness campaign, etc. |
| 16-03 | Activities for regional/community building | activity for promotion of regional exchange, activity for conservation of community resources, educational promotion and support activity, environmental conservation activity, support for developing countries, activity for creation of recycling society, activity for community development, festival planning, event planning, social business, municipal system, community platform, etc. |
| 16-04 | Social contribution activities | |
| 16-05 | Other activities for the general public | |
