

Category 01 : Accessories and Wearable			Examples
01-01	Accessories and Personal Items	contact lens, eyeglasses, mask, accessories, watch, wallet, card holder, smartphone/tablet case, camera sling, bag (backpack, PC bag etc.) shoes/sandals, slippers, artificial limb, wig	
01-02	Accessories and Personal Items for Professional Use	fingerstall, nameplate, armband, dust mask, dust goggles, work gloves, cotton work gloves, insulating gloves, helmet, life jacket, safety vest, work clothes, white coat, work shoes, safety shoes, lanyard, safety belt, earmuffs	
01-03	Clothing	hat, clothing, clothing accessories	

Category 02 : Personal Care			Examples
02-01	Wellness and Massage Items	relaxation products, walking products, daily exercise product, EMS, activity monitor, pedometer, WBGT monitor, alcometer, massage goods/chair	
02-02	Sanitary Goods	toothbrush, household dental hygiene products, adult diaper, shaver, nail clipper, ear pick, comb, shaving things, razor, dryer, tissue, towel, bath mat, laundry net, detergent, cleaning sponge, shampoo, body care goods, bath goods, portable toilet, hot water bottle, body odor measuring instrument, breath checker	
02-03	Beauty Care Equipment and Instrument	makeup tools, facial roller, perm rods, beauty device, hair iron, hair dryer	
02-04	Childcare Goods and Accessories	diaper, baby sling, swaddle, babywear, pacifier, mother's bag	
02-05	Household Childcare Items	baby stroller, potty, baby bath, baby bed, baby food, breast pump, baby bottle, baby tableware, chairs for children	
02-06	Household Nursing and Rehabilitation Equipment	hearing aid, wheelchair, walker, nursing care food, hospital food, nursing bed, patient positioner, walking stick, rollator, portable toilet for nursing care	

Category 03 : Stationery and Hobby			Examples
03-01	Stationery and Office Supplies	pen, mechanical pencil, notebook, diary, glue, scissors, cutter, stapler, adhesive tape, tape cutter, correction fluid/correction tape, seal, ink-pad, ruler, calculator, envelop, sticky note, book stand, book cover, picture frame, painting tools (paints, pallets, crayons), calendar, slip, file binder, clip, laser pointer, scientific calculator, cutting machine, bookbinding tool, drawing tool, photographic paper, whiteboard, label printer	
03-02	Teaching Materials and Educational Supplies	intellectual toy, teaching materials, textbook/reference book, picture book, dictionary, educational tool, magnifying glass, microscope, flask, beaker	
03-03	Toys	toy, doll, stuffed toy, building blocks, board game, minicar, plastic model	
03-04	Sporting Goods	bat, ball, shin pad, golf club, yoga mat, fitness equipment, training equipment, referee stand, field marking tool, sports eyewear, swimming goggles, sports shoes, jump ropes	
03-05	Leisure/Outdoor/Travel goods	picnic blanket, cooler box, tent, lantern, BBQ grill, trekking pole, outdoor chair/table, compass, binoculars, sleeping bag, folding knife, outdoor burner, outdoor cookware, suitcase, travel goods	
03-06	Hobby Goods and Pet Care Supplies	fishing rod, reel, handicraft tool, leash, pet toilet, aquarium, cat tower, grooming brush, pet monitor camera, individual identification badge	
03-07	Garden Tools	flower vase, flower pot, planter, watering pot, hose reel, watering nozzle, pruning scissors, scoop, indoor plant factory	
03-08	Musical Instrument	piano, guitar, guitar amplifier, electronic musical instrument	

Category 04 : Household Goods			Examples
04-01	Kitchen Goods, Cookware, Tableware and Cutlery	pot, frying pan, cleaning item for kitchen, kitchen knife, kitchen scissors, ladle, tong, turner, slicer, sieve, mixing bowl, long chopsticks for cooking, chopsticks, cutlery, glass, cup, dish, bowl, small bowl, tray, water bottle, tea utensil, lunch box, seasoning container, measuring spoon	
04-02	Daily Necessities	umbrella, fan, snow remover, sewing kit, (seat) cushion, mat, carpet, trash can, hanger, flashlight, table clock/wall clock, insecticide, aroma diffuser	
04-03	Cleaning Goods	broom, dustpan, duster, mop, cleaning brush	
04-04	Emergency Supplies	disaster prevention hood and helmet, emergency kit / disaster prevention set, emergency food, preserved food, emergency toilet kit, disaster prevention lantern	
04-05	Bedclothes	futon, bed sheets, mattress, pillow, blanket	
04-06	Religious Supplies	Buddhist altar and instrument, Shinto altar and instrument, plate for piled salt, rosary, urn, tomb stone	

Category 05 : Home Appliances			Examples
05-01	Cooking Appliances	rice cooker, microwave oven, food processor, hot plate, mixer, blender, juicer, electric kettle, coffee maker, toaster, IH cooker	
05-02	Home Appliances	digital photo frame, vacuum cleaner, washing machine, refrigerator, home cleaning machine, dishwasher/dryer, water purifier, sewing machine, iron, high pressure washer, deodorizing machine	
05-03	Environmental Appliances and Equipment	air cleaner, humidifier, electrical fan, electric stove, heater/fan heater, electric warmer, hot carpets, cooler, air conditioner and condenser unit are not in this category, please select category 08-02 House air conditioning machines/fixtures	

Category 06 : Audio, Video and ICT Equipment			Examples
06-01	Audio Equipment for Personal Use	headphone, earphone, loudspeaker, audio player, amplifier, stereo system, home sound system	
06-02	Broadcast and sound equipment for professional use	mixing console, multi-track recorder, switcher, loudspeaker for professional use, microphone for professional use, power amplifier for professional use, wireless microphone system, sound processor, video camera for professional use	
06-03	Camera and Peripherals	camera, video camera, camera lens, strobe, tripod, camera stabiliser	
06-04	Video Equipment	TV, monitor, media player, VR headset, projector	
06-05	Smart Phone and Peripherals	smart phone, telephone, mobile phone, communication mobile terminal, mobile battery, gimbal	
06-06	Smart Watch	smart watch	
06-07	PC and Peripherals	desktop PC, laptop PC, tablet PC, mouse, keyboard, stylus, motherboard, graphics card, OA tap, cable	
06-08	ICT Equipment for General Public	printer, scanner, NAS, hard disk, SSD, storage media, network device, router, switching hub, translator, smart speaker, AI speaker, security device/camera	

06-09	ICT Equipment for Professional Use	emergency communication system, security camera, computer for professional use, telephone for professional use, monitor/projector for professional use, transceiver, printer for professional use, composite printer
-------	------------------------------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Category 07 : Equipment and Facilities for Manufacturing and Medical		Examples
07-01	Working Tools and Instruments	pliers, nipper, screwdriver, saw, small work items, spray, paint, tool holder, vise, jig, electric tool, packing materials, cardboard box, guide baton, hand truck, floodlight, cleaning gun, ladder, stepladder, level
07-02	Agricultural Tools and Equipment	hoe, sickle, rake, mortar, lawnmower, hedge trimmer, cultivator, huller, threshing machine, rice polishing machine, weighing machine, furrow coating machine, drone for agricultural use
07-03	Equipment and Facilities for Production and Manufacturing	data logger, control equipment, digital micrometer, current probe, measuring equipment, surveying machine, indicator, FA equipment, programmable controller, actuator, industrial robot, processor, machining center, semiconductor manufacturing device, scaffold, wheel loader, printing press, container, belt conveyor, automatic carrier, nondestructive inspection device, injection molding machine
07-04	Medical Equipment and Facilities	sphygmomanometer, thermometer, injector, intravenous drip, medicine, stent, surgical instrument, stretcher, biomonitoring, washer, suction machine, therapeutic instrument, nurse call button, medical cart, examination table, medical furniture, hospital facility, inspection and diagnostic equipment (ultrasonic diagnostic apparatus, MRI, CT scan, x-ray device, etc), analyzer, packing machine for medicine, medical bed, medical protective glasses, low frequency treatment device, household medical instrument and device, household medicine, inhaler (nebulizer), blood glucose level measuring device, insulin syringe
07-05	Materials and Parts	sheet materials, paper, block, ceramic materials, glass materials, plastic materials, coating
07-06	Manufacturing and Production Technique	processing method, manufacturing method, constructing method, transportation technique
07-07	Equipment and Facilities for Research and Experiment	pipette, electronic balance, agitator, homogenizer, gas chromatography, x-ray fluorescence spectrometer, biochemical automatic analyzer, fume hood, environmental test equipment, durability test device, accelerator, radio telescope
07-08	Other Product for Medical Use and Manufacturing	

Category 08 : Housing Fixtures		Examples
08-01	House Lighting Appliances	light bulb, ceiling light, pendant light, desk lamp, floor lamp, stand lamp, sensor light
08-02	House Air Conditioning Machines/Fixtures	air conditioner, air vent
08-03	House Building Materials/Fixtures	architectural hardware, building material, fixtures, stairs, sash/window, door handle
08-04	House Interior Materials	curtain, blinds, rolling screen, wallpaper
08-05	House Exterior Materials	roofing materials, garage, doorplate, postbox, rain gutter, wood deck, terrace, sunshade, shelter, interphone
08-06	Kitchen Fixtures	range hood and ventilator, water heater, remote controller for water heater, sink, built-in stove
08-07	Bathroom and Wet Area	wash basin, shower, bathtub, toilet bowl / toilet seat, water purification device, faucet, modular bathroom
08-08	House Machines/Fixtures	elevator for home, escalator for home, digital lock, smart lock, home delivery locker box, fire alarm, home electricity storage system

Category 09 : Furniture / Equipment and Facilities for Office and Public		Examples
09-01	Home Furniture	chair, sofa, table, desk, partition, hanger pole, laundry pole, storage case, shelf, storage furniture, wardrobe, drawer, bed
09-02	Furniture for Shop, Office, Public space	office chair, office table, desk wagon, storage shelf, cabinet rack, locker, storage system, partition, reception office furniture, work station, office ceiling light
09-03	Display Furniture for Shop and Public Space	ticket vending machine, automatic ticket check, ATM, sign board, digital signage, pachinko game equipment, display fixture, plant factory for shop
09-04	Equipment and Facilities for Public Space	automatic door, fire alarm, evacuation guide, chair and desk for educational facility, lounge sofa, telephone booth, security gate, dust box for public, portable toilet for public, washbasin for public facility, stairs for public facility, bollard, fence, street light, sign board, electric pole, curved mirror, moveable fence, street furniture, spectator seat, braille tile, pavement, playground equipment for park, elevator, escalator, planetarium floodlight
09-05	Kitchen Equipment and Facilities for Professional Use	cylindrical pan, steamer, fryer, Chinese frying pan, hotel pan and food pan, kitchen pot, frying pan for professional use, bowl for professional use, kitchen knife for professional use, other kitchen utensils for professional use, banquet ware, food tray, bus box, oven for pizza, refrigerator for professional use, wine cellar for professional use, dishwasher for professional use, water heater for professional use, kitchen, towel warmer, ice machine, refrigerating stocker
09-06	Equipment and Facilities for Professional Use	cash register counter, receipt printer, POS terminal, handy terminal, barcode scanner, cash drawer, counting scale, settlement terminal, register, side ditch cover, manhole cover, distribution board, earthquake sensor, water quantity measuring instrument, solar cell array stand, fence for construction work, fire hydrant, construction sign, safety flag, color cone, barricade, lighting for construction work site, bookcase, base station, power transmission tower, wind power generator, lighting appliances for professional use, ceiling embedded air conditioner, air conditioning equipment and facilities for professional use
09-07	Building Materials and Equipment for Commercial Space	monitoring camera unit, security box, monitoring control system, management system, control panel, interphone for commercial/professional use, shutter

Category 10 : Mobility		Examples
10-01	Passenger Car, Passenger Car-Related Instruments	passenger car for home use, car tire, car navigation system, dash cam, car audio system, car stopper, child seat, car speaker system
10-02	Commercial Vehicle, Commercial Vehicle-Related Instruments	taxi, bus, truck, construction vehicle (crane truck, etc), farm vehicle (tractor, etc), amphibious vehicle, fire engine, other vehicle for specific use (snowplow, etc), car tire for commercial vehicle, car navigation system for commercial vehicle, dash cam for commercial vehicle, wheel balancer, safe driving support instrument/system
10-03	Motorbike, Motorbike-Related Instruments	motorbike for private/commercial use, tire for motorbike, speedometer, helmet, glove, riding wear
10-04	Personal Mobility and Bicycle, Personal Mobility and Bicycle-Related Instruments	personal mobility and bicycle, bicycle light, cycle computer / speedometer, riding wear

10-05	Railway, Shipping, Aircraft	railway vehicle, equipment and facility for railway, system and service for railway or railway operation, yacht, motorboat, water motorbikes, cruiser, passenger ship, cargo ship, boat for special use, equipment and facility for shipping, rocket, aircraft, airship, helicopter, drone for transportation, equipment and facility for aircraft
10-06	Transportation System and Service (Logistics / Physical Distribution)	transportation system and service, logistic system and service, traffic management system,

Category 11 : Housing (Detached House and Small Sized Housing Co		Examples
11-01	Commercial/Industrialized Housing	A house built as a commodity offered to the market
11-02	Detached House	A house designed individually to meet the needs of a particular owner
11-03	Small Sized Housing Complex	Total floor area 1,000 square meters, the number of dwelling units below 15, owner centered small sized housing complex (plans with urban development are classified as category 12.)
11-04	Small Sized Cohousing/Dormitory	Total floor area is less than 1,000 square meters, cohousing for specific purpose (shared house, nursing home, student dormitory, etc). (plans with urban development are classified as category 12.)
11-05	Construction Method for Housing	construction method for housing, structural member for housing, seismic isolation structure for housing
11-06	Service and System for Detached House and Small-Sized Housing Complex / HEMS (Home Energy Management System)	energy management system, proposal for storage, air conditioning, water supply, etc.
11-07	Interior for Detached House and Small Sized Housing Complex	

Category 12 : Housing (Medium to Large Sized Housing Complex & C		Examples
12--01	Medium/Large Sized Housing Complex	Total floor area is more than 1,000 square meters, the number of dwelling units above 15, medium to large sized housing complex, apartment complex, new town, residential area with town development
12--02	Medium/Large Sized Cohousing/Dormitory	Total floor area is more than 1,000 square meters, cohousing for specific purpose (shared house, nursing home, student dormitory, etc).
12--03	Service and System for Housing Complex/HEMS	service for residents of housing complex, service to support purchase and design of housing, housing value creation service
12--04	Interior for Medium to Large Sized Housing Complex	

Category 13 : Construction (Industry and Commercial Facility)		Examples
13-01	Construction and Environment for Office and Industrial Facility	construction/space design/sign system for office, research and development institute, factory, industrial complex, warehouse, distribution center, container yard, power plant, production facility, facility and space for management and control, etc.
13-02	Interior for Industrial Facility and Office	
13-03	Construction and Environment for Commercial Facility	construction/space design/sign system/exhibition space, space effect, lighting plan, VMD (visual merchandising), chapel, stall for commercial complex, shopping center, shop, showroom, hotel and accommodation, cinema, theater and other amusement facilities
13-04	Interior for Commercial Facility and Shop	

Category 14 : Public Facility, Civil Structure and Landscape		Examples
14-01	Construction/Space Design for Public Facility	construction/space design/sign system/pictogram for government building, educational facility, medical/welfare facility, museum, library, cultural exchange facility, post office, bank, financial facility, airport, station building, religious facility, zoo, aquarium, observation deck, tourist facility, gymnasium, stadium, arena, etc.
14-02	Interior for Public Facility	
14-03	Landscape, Civil Engineering Structures	landscape, environmental design, park, square, road, traffic terminal, bridge, tower, harbor/river maintenance, dam, embankment, tunnel, junction, water channel, water and sewage infrastructure
14-04	Block and Community Development	city block development, urban development, community/regional development, urban planning
14-05	Construction Method for Industry, Commercial, Public Facility	structure, structural member, building method, civil engineering method, demolition method

Category 15 : Media and Contents		Examples
15-01	Media	magazine, website, free paper magazine, local government's journal, regional PR magazine
15-02	Contents for General Public	book, electronic book, TV program, video game, advertisement, promotion planning, promotion and advertising event, corporate PR, regional tourism map, regional promotion campaign, music video, AR contents, VR contents, live viewing, infographic
15-03	Contents for Business	in-house information dissemination media, in-house journal, new product presentation, brand management manual, operation guideline, service manual
15-04	Method for Advertising/PR	advertisement contents, PR contents, PR method
15-05	Exhibition / Display	exhibition, exhibition booth, display, projection mapping, video installation
15-06	Branding / CI / VI	branding, CI (Corporate Identity), VI (Visual Identity)
15-07	Font	web font, digital font, brand font, font service
15-08	Packaging for General Public	drink and food package, packaging container for food and drink, product package, package and container design for daily necessities, cosmetic package, package for drug and medicine, CD jacket
15-09	Packaging for Professional Use	package for transportation, packaging container, shelf-ready packaging

Category 16 : System and Service		Examples
16-01	Application, Software for General Public / Apps for Smartphones and Tablets	video editing software, educational app/software, automatic translation program, household account app, map app, SNS, coworking tool, travel app, home medical support app, personal finance app, photo app
16-02	System/Service for General Public	loss prevention device, child care support service, care support service, crime prevention system, education system, community-based integrated care system, repair service, watching service, location search service, photo gift service, bookbinding service, processing service, mileage service, room access management system, search system, matching service, navigation service, crowdfunding service

16-03	Insurance/Financial Service and System	asset management system, insurance contract service, financial product management system
16-04	Software for Professional Use	CAD software, software for development, medical software, customer management application, profit optimization tool, accommodation management system, image analysis software, business data management application, store management tool, team management application, business improvement application
16-05	System/Service for Professional Use	employee management system, franchise system, coin parking system, data visualization system, data analysis service, customer management service, aseptic system, FA system, logistics system, POS system, order system, ASP service, telemedicine system, electronic medical record system, library search system, EMS (Electronics Manufacturing Service), organization improvement system
16-06	Social Infrastructure System / Infrastructure	water and sewage system, power generation system, smart grid, eco system, certificate system, disaster risk management system, medical cooperation system, tax payment system

Category 17 : Initiative and Activity for Regional		Examples
17-01	Initiative and Activity for Regional	region cultural support, region resource conservation activity, municipal system, region regeneration project, region exchange program, support for developing country
17-02	Initiative and Activity for Community Development	district exchange promotion Initiative, community development Initiative, community platform, festival planning, event planning

Category 18 : Initiative and Activity for the General Public		Examples
18-01	Initiative and Activity for General Public	poverty support, childbirth and childcare support, social business, Initiative for realization of gender equality society, Initiative for realization of a carbon-free society, Initiative for promotion of circular economy
18-02	Awareness Improvement for Individual and Public	Initiative for improving awareness of disaster prevention, work experience workshop, experience-based learning program, reconstruction support activity, cultural awareness campaign
18-03	Awareness Improvement, Management Method and Initiative for Industry	improvement of working style, improvement of work flow, job awareness reform, organizational reform, organization and team building method, employment system, working rules, employment creation support, business start-up support, technical support for developing countries, dispatch of engineer, free provision of patent, coworking space, work space
18-04	Education/Promotion/Support Method	education program, education support program, housing support program, regional exchange program, volunteer support program, technical training system, skill sharing service, workshop program
18-05	Research and Development Method	survey method, analysis method, idea creation method, academic-industry cooperation research and development, PBL (project based learning), open source development
